

## **DEPARTMENT OF JUSTICE**

### **Drug Enforcement Administration**

#### **Importer of Controlled Substances Registration: Pharmacore**

**[Docket No. DEA-392]**

**ACTION:** Notice of registration.

**SUMMARY:** Pharmacore applied to be registered as an importer of a certain basic class of controlled substance. The Drug Enforcement Administration (DEA) grants Pharmacore registration as an importer of this controlled substance.

#### **SUPPLEMENTARY INFORMATION:**

By notice dated April 14, 2015, and published in the **Federal Register** on April 22, 2015, 80 FR 22553, Pharmacore, 4180 Mendenhall Oaks Parkway, High Point, North Carolina 27265 applied to be registered as an importer of a certain basic class of controlled substance. Comments and request for hearings on applications to import narcotic raw material are not appropriate. 72 FR 3417 (January 25, 2007).

The DEA has considered the factors in 21 U.S.C. 823, 952(a) and 958(a) and determined that the registration of Pharmacore to import the basic class of controlled substance is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA investigated the company's maintenance of effective controls against diversion by inspecting and testing the company's physical security systems, verifying the company's

compliance with state and local laws, and reviewing the company's background and history.

Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 CFR 1301.34, the above-named company is granted registration as an importer of poppy straw concentrate (9670), a basic class of controlled substance listed in schedule II.

The company plans to import the listed controlled substance to manufacture bulk controlled substance intermediates for sale to its customers.

Dated: July 23, 2015.

Joseph T. Rannazzisi,  
*Deputy Assistant Administrator.*
